

REACH/ROHS STATEMENT

We Kyocera Unimerco Fastening A/S hereby confirm that we always observe all applicable EU requirements regarding hazardous substances in our products. Thus, we hereby declare that we at all times comply with the following EU Regulations as amended:

- (EC) No 1907/2006 concerning Registration, Evaluation, Authorisation and Restriction of Chemicals ("REACH"), including the latest updated candidate list of Substances of Very High Concerns ("SVHC list")
- (EC) No 2011/65 concerning Restriction of use of certain Hazardous Substances in electrical and electronic equipment ("RoHS").

Compliance means that all substances contained in a product:

- has/have been pre-registered *and/or* has/have been registered by our company *and/or* by our supplier *or*
- exempted from registration (because the registration threshold is not met) *or*
- is/are excluded from the Regulations (because it does not contain substances *or* is an article without release/migration of the substance).

If you have any questions or concerns about this topic, please don't hesitate to contact us.
